

Clean the World™

# SOAP SAVES LIVES BOX

Clean the World is a global impact organization whose mission is to save millions of lives around the world through the recycling and distribution of soap and hygiene kits. The “Soap Saves Lives Box” presents a unique and engaging opportunity for employees and their loved ones to provide essential hygiene supplies to underprivileged children and families. Each box contains everything needed to assemble hygiene kits such as: soaps, shampoos, conditioners, toothpastes, toothbrushes, sanitizing towelettes, and socks.

## AN EXPERIENCE TO REMEMBER

As employees are making an impact, they will also be making memories. Clean the World provides a seamless experience right from the comfort of a kitchen or living room:

- **RIGHT FROM THE START** - employees register to participate using a promo code that is unique to your organization
- **IT'S ALL IN THE BOX** - boxes contain everything needed to build the hygiene kits
- **TOOLS TO BOOST CONFIDENCE** - once registration is complete, employees can access an interactive website that includes how-to videos, best practice guides, a photo gallery, and much more
- **VOLUNTEER SUPPORT** - if at any point they have questions, Clean the World is only a phone call or email away

## HERE'S HOW IT WORKS:

- #1 Employees register for their kit via our Clean the World website, and their box arrives on their doorstep within 7-10 business days.
- #2 The box comes packed with supplies and endless opportunities for an inspiring fun and impactful team building event with their loved ones.
- #3 Once the kits are assembled, employees will either deliver them to a local participating charity, or ship to the predetermined charity or organization of your choice. These kits provide hope and hygiene to people in need in cities across the United States.
